

## **WCC is elected President Unit of the First Council of Shaanxi Cement Association**

On 9 June, Mr. Song Yachao, Deputy Director of Raw Material Office of Shaanxi Industry and Informationization Bureau, visited West China Cement. Mr. Zhang Jimin, CEO of WCC and other senior management staff expressed their warm welcome.

Mr. Song extended his hearty congratulations on the great progress achieved by WCC and commented positively on Mr. Zhang Jimin's diligent performance in his role as the president of Shaanxi Cement Association. Mr. Zhang expressed that he will continue perform his duties of implementing national industry policies, adapting to industrial restructuring, promoting cleaner production and developing recycling economy.

Later, they had a discussion about the development of Shaanxi's cement industry. Mr. Song also presented the honor medal of "President Unit of the First Council of Shaanxi Cement Association" to WCC.
