

The Representatives of “China Cement’s Ten Thousand Miles Tour” Visit WCC

On 30 August, the representatives of “China Cement’s Ten Thousand Miles Tour” visited West China Cement Limited. Mr. Zhang Jimin, CEO and Mr. Tian Zhenjun, Deputy CEO of WCC extended a warm welcome to them.

Mr. Zhang commented that the Tour was very creative and enabled all social sectors to have a deeper understanding about the development of cement industry. It has also promoted the communication and cooperation among the enterprises. Mr. Tian then gave a brief introduction of the present status and development prospect of WCC to the representatives. Mr. Shao Jun, CEO of China Cement Net, extended his warm congratulation on WCC’s successful listing in HKEx.

On 31 August, the representatives visited Lantian Plant and issued “Outstanding Contribution Award” to it. They have also presented some related technical papers and books to Lantian Plant.
