

Commencement Ceremony of WCC's R&D Center

On 16 February, the Commencement Ceremony of Research & Development Center of West China Cement Limited ("WCC") was held grandly in Xi'an, Shaanxi, which marks that WCC will have its own modern office building integrated with R&D, training, administration and accommodation.

The Ceremony was chaired by Mr. Wang Jianli, WCC's Chief Engineer. Mr. Zhang Jimin, Chairman and Mr. Tian Zhenjun, Executive Director of WCC also made a speech on the ceremony, respectively.
