

## Official Representatives from Tianjin Government Visited Yutian Plant

On 3 November, accompanied by Secretary of the Party Committee of Xinjiang Uygur Autonomous Region Mr. Zhang Chunxian, the official representatives from Tianjin Government visited Hotian region in Xinjiang to conduct investigation and research on the progress of Aid-Xinjiang Projects.

Led by Secretary of the Organization Department of Municipal Party Committee of Tianjin Mrs. Shi Lianxi, one of the delegations visited Yutian Plant of West China Cement Limited.

Chairman of WCC Mr. Zhang Jimin and Production Director of Yaobai Group Mr. Wang Fayin warmly welcomed the official representatives

Vice Manager of Yutian Plant Mr. Luo Xianbo was giving a report on Yutian project planning and construction to the representatives

On behalf of the representatives, Mrs. Shi Lianxi extended her kind greetings to all staff in Yutian Plant and fully recognized their hard work. She also hopes that further efforts can be made on the project construction and thus greater contributions can be realized to the development of Hotan region.
