

WCC was awarded as Cement Industry Model Company of 2012 Green Prosperity Enterprises (China)

The 3rd Global Green Economy Prosperity Forum (the “Forum”) was held by International Green Economy Association (“IGEA”) in Beijing from 20 to 23 August 2012.

WCC was invited to the Forum and awarded as Cement Industry Model Company of 2012 Green Prosperity Enterprises (China).

Mr. Tian Zhenjun, CEO of WCC, in the award ceremony

The award represents the full recognition on our active participation in environmental-friendly development. We will continue to promote and develop these environmental initiatives as well as establish our green, low – carbon and responsible enterprise image in cement industry.
