

District Management Experience Exchanging Meeting held in Yangxian plant of WCC

With a view to share management experience and improve the overall management level, WCC held a district management experience exchanging meeting in Yangxian plant on 4th November. About 40 management personnel attended the meeting, including CEO, Mr. Tian Zhenjun, Deputy CEO, Mr. Li Wenyu, Chief Admin Officer, Mr. Chen Zhixin and management personnel from marketing and sales departments as well as technical and production departments.

Management personnel presented working reports and shared experience with each other in the meeting

Mr. Tian Zhenjun, CEO of WCC, made summary speech in the meeting. He fully

affirmed the importance of the exchanging meeting and required all the managements to study the good experience and practice of Hanzhong Region by combining its own regional characteristics to create first-class brand and improve our management level.
