

WCC Directors visited Lantian Cement Kiln Waste Sludge Treatment Facility

Accompanied by Mr. Tian Zhenjun, CEO and Mr. Wang Jianli, Deputy CEO of WCC, the Independent Non-executive Directors, Mr. Wong Kun Kau, Mr. Tam King Ching and Mr. Lee Kong Wai visited Lantian Cement Kiln Waste Sludge Treatment Facility on April 8.

Mr. Lin Yuchang, General Manager of Lantian Plant warmly welcomed the Directors and presented a brief introduction on Lantian Plant and the Facility.

The Directors highly recommended WCC's great considerations and efforts in environmental protection during economic and social development and fully affirmed our inputs in energy-saving, emission reduction, restructuring as well as efforts in promoting sustainable and healthy development in the industry.
