

## 2018 Work Plan Conference of WCC Management Team

2018 work plan conference of WCC management team was held on Feb 25, Chairman Zhang Jimin of WCC attended the conference and it was hosted by CEO Ma Weiping.

Each department from group headquarters and general manager from subsidiaries gave their report on work plan in 2018.

CEO Ma Weiping gave recognition of all reports and emphasized the importance of three consciousnesses, he required management team must focus on target and make sure to realize it.

At last, chairman Zhang Jimin required the meeting should be held at least two times a year, he got three requirements for management team in 2018, the first is to improve management level by changing idea and reinforcement learning, second is be clear target and fully implemented, the third is to improve the comprehensive quality and enhance the cohesion effectiveness trying to build a better future of WCC and realize the value of individual.
