

WCC Promoted into Cement listed Companies

Comprehensive Ranking Top 10

On June 30, China Cement Association announced 2018 China cement comprehensive strength ranking results of listed companies. The comprehensive strength of WCC ranks into Top 9 with its good profitability. The evaluation of comprehensive strength ranking was based on cement sales volume, profits, market values, assets and net margin. According to the relative data, WCC saw the most significant improvement in the new top 10 companies, with net profit increasing by about 68 times compared with the same period last year, ranking 14 places higher than last year.
