

## **WCC re-entered the List of Listed Cement Companies**

Recently, China Cement Association announced that “2020 Comprehensive Strength Ranking of Listed Cement Companies in China”, WCC ranked 13<sup>th</sup> in the ranking of comprehensive strength, ranked 10<sup>th</sup> with 1.801 billion yuan in the ranking of net profit of listed cement companies, ranked 9<sup>th</sup> with 3.083 billion yuan in the ranking of total profits of listed cement companies.

China Cement Association, being one of the most authoritative, credible and influential selection activities in the cement industry, organized both the internal and external experts from the cement industry and the securities and finance industry to carry out the discussion and selection together, in accordance with the principle of openness, fairness and science. The selection standards included: cement sales, profits, market values, assets, net profits, which were designed to show the competitive strength of the listed cement companies in China, encourage the cement enterprises to do better, cultivate leading enterprises with international competitiveness and influence, as well as promote the healthy and sustainable development of the cement industry.

WCC made a remarkable achievement through development in decades. WCC’s operating income and net profit reached historical high again. WCC will continue to promote the construction of green and intelligent factories as well as strengthening the development of the principal cement business in the future. At the same time, WCC will speed up the pace of transformation and upgrading, adding new momentum continuously in order to enhance the company’s value steadily and further realize the high-quality development of the company.
