

24 June - The Second President Conference of the First Council of Shaanxi Cement Association was held on 24 June. Mr. Wang Hong'an, Deputy Director of the Industry and Information Technology Department of Shaanxi Province, Mr. Zhang Jimin, President of Shaanxi Cement Association ("the Association"), Mr. Song Yachao, Secretary-General of the Association, Mr. Zhao Yimin, Deputy Secretary-General, and representatives from twenty vice-presidential companies including Qinling Cement, Jidong Cement and Yaobai Cement attended the meeting. The meeting was chaired by Mr. Song Yachao.

The meeting began by going through the summary reports of Shaanxi Cement Association in the first half of 2010, followed by the detailed plans for the second half of the year. Mr. Zhao Yimin conveyed the spirit of the National Building Materials Industry Conference, including topics on the concepts of "the twelfth-five year" development plan of the National Building Material Industry and National Cement Industry, the revelation and analysis of the Japanese construction industrialization-induced impact on the development of China building materials industry. The meeting also saw discussion on the stringent situation of the Shaanxi cement industry and on how to keep a healthy development within the industry.

Mr. Wang Hong'an highly appreciated the progress of the Shaanxi Cement Association and presented a speech on capturing development opportunity, elimination of sluggish capacities and realization of industrial upgrading and optimization. The meeting reached a consensus on how to guide a healthy development of the cement market, to grasp development opportunities as a result of "the twelfth-five year" and to strengthen the cement Industry.
