

## **China Cement Association Announced the First List of Leading Enterprises in Cement Industry**

On 21 September, China Cement Association announced the first list of leading enterprises in cement industry of each province. It's noted that these leading enterprises are emerged after the structural readjustment in cement industry during the 11<sup>th</sup>-Five Period and play a very important role in optimization of recourses allocation, energy conservation and emission reduction, mergers and acquisitions and elimination of backward production capacities, etc.

West China Cement Limited is also included in the list of Shaanxi Province. Another three is Jidong Cement (Shaanxi area), Anhui Conch Cement (Shaanxi area) and Shaanxi Shengwei Group.
